

# PrintNOW™ technology by

It's ready to print right out of the box!

The **NEW** Hanes® Perfect Pre-treat Tee with PrintNOW technology arrives with every surface ready to print DTG. Eliminating the extra steps and added expense it typically takes to pre-treat a standard t-shirt. PrintNOW technology takes the chemicals, additional machines and, most of all, downtime out of the printing process—making it faster for you to get that order out the door.
