

Hanes **BEEFY-T**®

INTRODUCING THE NEW RETRO BEEFY-T®

In 1975 we developed a shirt that could be used as a canvas to immortalize treasured memories. This heavyweight t-shirt was designed for screenprinters and creators, with all the right details down to a tee.

Now we're celebrating that legendary tee with our **NEW** Retro Style Beefy-T. Offering a roomier cut and an even heavier weight at 7 oz., our Retro Beefy-T takes boldness to a whole new level!

NEW!
