

## RS170 Perfect Sweats Hoodie

- 8.5 oz.
- 80% U.S. Grown Cotton/20% Polyester
- Clean Canvas™ print technology makes these sweats ideal for direct to garment, plastisol, water-based printing, or other embellishment techniques, especially embroidery. It's heavy enough to help control puckering, registration, and needle cut and light enough that it doesn't require specialized equipment
- Ribbed cuffs and waistband
- Dyed to match jersey lined hood and twill drawcords
- Kanga pocket
- Preshrunk cotton
- Tear-away label
- Classic fit
- Imported
- Available size range: S-5XL

\*Charcoal heather: 50% cotton/50% polyester  
light steel: 74% cotton / 26% polyester
